

Hong Kong Software Outsourcing Alliance: Invitation to Membership

Organized by HKITF, Supported by OGCIO & Implemented by HKPC & TDC

In view of the rapidly increasing software outsourcing business and the complementary competency of Hong Kong and Guangdong, with support from OGCIO, the Hong Kong Software Outsourcing Alliance (HKSOA) is going to be established. As an active player in the IT industry, you are cordially invited to participate in this new alliance for the betterment of the Hong Kong outsourcing business.

For details & member benefits, please visit

(Chi) http://www.hk-dttn.com/SSP/press_release/SSP%20Press%20Release%20-%20Chi.pdf

✧ RFP Briefing on 25 April

The project aims to encourage software vendors to develop simple front-end software modules over DTTN platforms for the use by SME community. Vendors will be selected through a Request for Proposal (RFP) process and provided with **seed capital** to develop the front-end software. For more details, please visit <http://www.hk-dttn.com/SSP/eng/index.html>

It is encouraging that nearly a hundred participants attended the briefing!
