# "Open Source Software - A Collaboration Platform for Web Applications" seminar

(Hosted by the Programme Office of the MSc in Electronic Commerce and Internet Computing, HKU SPACE & IPA, Endorsed by HKITF)

Time : 6 June 2007, Wed, 7pm - 8pm

Venue: Room S7, 3/F, Admiralty Learning Centre I, HKU SPACE, Admiralty Centre, 18 Harcourt Road, H.K.

**Presenter:** Prof. Bebo White, Departmental Associate (Retired), Stanford (University) Linear Accelerator Center (SLAC) Adjunct Professor, University of San Francisco  
(See Biography~ <http://www.ecom-icom.hku.hk/faculty/WhiteBebo.asp> )

Abstract:

This presentation will focus on the role of Open Source Development in Web-based applications and discuss the close interaction between Open Source methodologies, tools, and platforms and the construction of modern Web applications and services. Open source concepts, methods and projects reinforce interoperability and open standards in the practical implementation of all future Web protocols, data formats, and applications. Some of the important ongoing Open Source projects involving Web technology will also be described.

For details & registration, please go to: <http://www.ecom-icom.hku.hk/seminar/upcoming.asp>  
For enquiry, please contact Sonia Fong of HKU at 2249-1870.
